

May 23, Thursday				
10:00-13:00	History of Pharmacy			
12:00-13:00	Lunch Break			
13:00-14:00	Opening			
14:00-15:00	Plenary Session 1 – 2 x 30 min Anne des Rieux: Enhancing Drug Delivery to the Central Nervous System Using Advanced Materials György M. Keserű: Designing Bitopic Ligands Against G-Protein Coupled Receptors			
15:00-15:30	Coffee Break			
15:30-17:00	S1	S2	S3	S4
	Nanomedicine Network: Novel carriers for novel drugs	EPRIN Network: Unlocking Precision Medicine: Navigating the Frontier of Pharmacogenomics in Pharmacy Practice and Research	Recent Progresses in Natural Products and Medicinal Plant Research	Innovation in Pharma Industry in Larger and Smaller Companies
17:00-18:00	Poster and Coffee			
18:00-19:00	Round Table: Actualities in the Field of Medical and Drug Devices – Regulatory and Scientific Point of View			
20:00	Welcome Reception			
May 24, Friday				
8:30-10:00	S6	S7	S8	S H1
	Advanced drug delivery for chronic diseases	Symposium of Gedeon Richter Plc.	Recent Progresses in Pharmacology and Related Fields	Hospital pharmacy – Hungarian Gyógyszerbeszerzés, ellátásbiztonság I
10:00-11:00	Poster and Coffee			
11:00-12:00	Plenary Session 2 – 2 x 30 min Hongbo Zhang: Smart Materials Driven Medication Szabolcs Fekete: Current Trends and Challenges in the Analysis of Small and Large Drug Molecules by Liquid Chromatography			
12:00-13:00	Students' Competition			
13:00-14:00	Lunch Break			

14:00-15:30	S9	S10	S11	S H2
	TÜFTAD + BABP Network: Challenges and Solutions in Biosimilar Product Development	Recent Progresses in Pharmaceutical and Biomedical Analysis	Data Science in Clinical Research	Hospital pharmacy – Hungarian Gyógyszerbeszerzés, ellátásbiztonság II
15:30-16:00	Coffee Break			
16:00-17:30	S12	S13	S14	S H3
	Recent Progresses in Pharmaceutical Technology	Recent Progresses in Bioorganic and Medicinal Chemistry	Regulation of Medicines in Both Disciplines – Human and Veterinary Medicine: Significance, Concerns, Common Grounds	Hospital pharmacy – Hungarian Klinikai gyógyszervizsgálatok
17:30-18:30	Poster and Coffee			
20:00	Congress Dinner			
May 25, Saturday				
8:30-10:00	S15	S16	S17	S H4
	Recent Progresses in Drug Formulation and Development of Dosage Forms	QbD & PAT Network: Drug Manufacturing	Radiopharmaceuticals Legislation and Production	Hospital pharmacy – Hungarian Innovatív terápiák
10:00-10:30	Coffee Break			
10:30-11:30	Plenary Session 3 – 2 x 30 min Jan Petracek: Pharmacovigilance Transformation – What Will Stay the Same, and What is Changing Elias Fattal: Nanomedicine-Based Strategies for the Treatment of Inflammatory Diseases			
11:30-12:00	Closing Ceremony			
12:00-13:00	Lunch break
